Hi,

We have a team meeting next week with RD/PRD/EFED/BEAD/HED to go over where we are with the DWLOC (ran the numbers with some preliminary consideration of refinements - PCA) and next steps. At this point,

Ex. 5 Deliberative Process (DP)

Ex. 5 Deliberative Process (DP)

Ex. 5 Deliberative Process (DP)

I will also forward you the information we received from RD on this package. I'm not sure if there is additional information from the registrant to consider – will ask.

Questions to ask during the team meeting next week:

Let me know if you have other specific questions.

Hi Amy,

Thanks for the heads-up on aldicarb last Friday. Marietta and I just met with RD and they raised it. RD is looking for the team to get back to them no later than mid October. They are looking for our indications (do we think it can go forward or not and why). Do you anticipate that's doable from our side? Also, do you have the information the registrant submitted and do you have a summary for us?

Jan
